

"This Jenny is just brilliant. We've trialed it for over a year and it's the best I've ever tired. It's easy to use, takes two rolls at a time, with no tangles or over-runs. They won't be getting it back in a hurry"

Noel Preen - Fencing Contractor

HEAVY DUTY FIXED JENNY

Developed in association with New Zealand fencing professionals this Heavy Duty Fixed Jenny delivers an outstanding new dimension in fast, efficient and hassle free wire dispensing.

- ▲ Durable heavy duty frame
- ▲ Tangle proof lid for trouble free dispensing
- ▲ Can be fitted with handle to recoil wire
- ▲ Brake to control speed
- ▲ Double pin spike foot for increased stability
- ▲ Can be adapted for barbed wire dispensing
