

"NOW YOU CAN BUY THE PERFECT FENCING SPADE"

- Balanced
- Ideal Angle
- Ideal Weight
- Plastic handle absorbs shock
- High carbon steel blade

Range includes: long handle (1.550 m) Short handle (1.350 mm) and Strainer (clay) spade

"I just couldn't buy a decent fencing spade so I designed my own."

Wayne Newdick – Cyclone Master Fencer Series Fencing spades
– Designed and tested by Wayne Newdick – Fencing Contractor,
Qualified Tool Maker, Golden Pliers Champion and Multi Silver
Spade Doubles Champion.

"Bloody nice spades - purpose built, balanced with just the right
angle for digging and retrieving dirt from the hole."

Rob Best – Fencing Contractor, Golden Pliers Finalist, Fencing
Judge.

"A well balanced positive digging spade. The plastic handle
absorbs shock and the clay spade has the right pitch and weight
to cut into heavy soils. Ideal contractor spades."

Simon Fuller – Fencing Contractor, Golden Pliers Finalist.
